D.O. No. 8/433 Date 31-8-10.

Respected Sir,

It was a great pleasure to recieve the second issue of NCRB news letter. I could feel from the columns and news therein, the enthusiastic work culture inculcated in NCRB organisation. Sir, it could have been possible only by your guidance and vision. It was heartening to see the space for news/promotion for Hindi language also.

I would be greatful if I could recieve the newsletter whenever published on regular basis.

With regards and respect.
